Our Record

As the class of 1950 is graduated from West Chester High School, the staff of the **Garnet and White** endeavors to present in this yearbook a record of our school years.

The most outstanding feature of our 1950 yearbook is the combination of art and photography. With much patience and deliberation our art staff constructed the small, three-dimensional, paper sculpture figures which adorn the divider pages. Of course we liberally inserted the Warrior, our school symbol, throughout the book.

It can easily be noticed that changes, enormous or minute, concerning artwork or major problems, are necessary and must constantly be taking place. The experiences which the class of 1950 has thus far encountered in its three short years of high school are material proof of this fact. We were the last to have classes in the old senior high building, the last to have the opportunity of making general bedlam in B-6 during lunch hour, to create extreme confusion in the locker rooms, and to resist the temptation of walking down the senior steps. After the fire it was necessary for us to adjust ourselves to new hours, heavier schedules, and the absence of many popular extra-curricular activities.

We hope that the changes which we have experienced in the past three years will enable us to face with competence any new situations which we may encounter in the future.

Our Administrators

G. ARTHUR STETSON
Superintendent of Schools

Congratulations and best wishes to the Class of 1950! You are graduating in a year of stress and strain both at home and abroad, much of which is the result of a break-down in ethical standards. What **is** right? This is the question your generation must answer. As citizens and future parents you must determine a mores for the community that will give you and yours a standard of conduct that is worthy of your inheritance, and on which you can depend with confidence.

G. A. STETSON,
Superintendent.

You have completed a phase of your education; but, since education is a continuous process, do not stop. The importance of education is just two things: character and good manners. Any person who can develop these characteristics is educated. Be courteous and polite. That is a stage of civilization that all of us have not attained. Use your own mind for what it is worth, for you developed it. Do the best with what you have. The real tragedy of life is not being limited to one talent but failing to use that one talent. Start where you are with what you have and never be satisfied. Two forces working to control your mind are fear and faith. Rather than fear, have faith in yourself, in your fellow man, and in God. Courtesy, politeness, energy, faith—cultivate and practice these.

B. REED HENDERSON.
Superintendent.

In the **Garnet and White** a system of listing activities has been adopted which may be unknown to some. The numbers one, two, and three are substituted for the three years which the student has spent in high school. Therefore the number **one** following an activity denotes the student's participation during his sophomore year; **two,** during his junior year; and **three,** during his senior year.

The Famous Fiftiers

We the class of 1950
Have done some things that are quite nifty.
In the middle of November (Thanksgiving to you)
We had three bonfires, not just one or two.
From the second of November through the rest of the year
We gave three talent shows—all ended with a cheer.
The basketball team of great renown
Fought at the Palestra for the coveted crown.
In dancing, as in sports, we were always on top.
The Senior Prom, Black Magic, just hit the spot.
On April 28, between Washington and Biddle,
We recalled memories of when we were little.
But the end has drawn near and now we are leaving.
On the faces of many there are signs of grieving.
At the turn of the century we start life anew.
Health, happiness, and success are our wishes to you.

THE JUNIOR CLASS

The members of the Junior Class have tried to be of service to the community and to the school. Because of the present schedule of the school, we have not done much as a class. We have been of service through the Hi-Y, Tri-Hi-Y, Scouts, churches, and other organizations. By being of service through organizations outside the school, we are practicing democracy and the responsibilities of citizens while in our classes learning the theories. We hope to continue being of service next year and for the rest of our lives.

SOPHOMORE CLASS

We, the class of 1952, are proud of our many achievements this year. Our class has been well represented in all school and community activities. We have fulfilled our responsibilities as underclassmen, and, with the guidance of the faculty, shall strive to maintain our goals for the future. We look forward with expectation to our junior year, knowing that we possess the needed requirements for a successful, outstanding class.

STUDENT COUNCIL

The Student Council is, without a doubt, one of the most important bodies operating in our school. It is through the representatives of the council, elected by their fellow students, that the views and ideas of the school body are voiced. The Council is an important factor in all school social events, sports programs, and other activities. This year Council exhibited its school spirit and stamina in the work on the Thanksgiving bonfire. As the school year draws to a close, the Council of 1949-50 hopes that it has helped to make our school a better organized, a more systematic place, and that future councils will accomplish even bigger and better things.

SOCK AND BUSKIN CLUB

Footlights, curtains, make-up, and costumes are essential to the work of the Sock and Buskin Club. About half of the club members are not interested in acting so much as they are in many other types of work: make-up, staging, lighting, scenery, and costuming. The officers for this year are Berry Hey, President; Janet Staley, Vice-President; Marjorie Satterthwait, Secretary; Jill Killen, Treasurer. "The Late Christopher Bean" was the three act play for this year. The cast was an all-senior one, some making the last of several appearances and others making their debuts. A one-act play, "Ringing in the Groom", is the spring play, given in the assembly for Junior and Senior High Schools.

FOOTBALL

The Warriors started the grid season with wins over Lancaster, Woodbury, and Phoenixville; however, they found trouble at DuPont High where they were held to a 12 to 12 tie by a small, inexperienced eleven. They hit their winning stride again in a win over Downingtown. The game was forfeited to West Chester in the middle of the last quarter because the crowd got out of hand. The Warriors suffered their first setback at the hands of a strong Pottstown combine, 13 to 0. Then they lost two more decisions in a row to Coatesville and Media, both by the same 7 to 6 score. They hit their winning ways again with a decisive victory over a highly touted Haverford team, winning by a 28 to 6 score. The Turkey Day game with Berwyn afforded thrills galore, but the score ended in a 6 to 6 deadlock. This year's team was greatly hampered by injuries, but their record of 5 wins, 2 ties, and 3 losses was a formidable one.

Although the mermen won only four meets while losing six, they had some outstanding performers. "Maury" Stroemel finished sixth in the state diving championship. Grant Dunn, "Tom" Imswiler, Stroemel, and the 120 yard and the 180 yard relay teams, won places in the district meet at the University of Pennsylvania.

CROSS COUNTRY

The Harriors had a successful season, winning four and losing one. Captain Alan Thomas, Fortune Spriggs, and "Stew" Ferrier were the mainstays of Coach Zimmerman's squad. Rodney Smith and Alastair Rutherford also finished consistently among the first seven. Thomas ran among the medal winners in the Rotary Club meet at Marcus Hook, Pennsylvania.

BASKETBALL

The Warrior quintet pulled a stunning upset this year. They were picked by the sports writers to fight it out for the bottom position on the Suburban III League, but with plenty of hustle and teamwork they took the Suburban III crown and advanced to the semi-finals in the district playoffs by defeating Bristol High at Penn's Palestra, 46 to 33. They were eliminated from the playoffs by Yeadon in the semi-final game, 42 to 35.

The starting combination was made up of "Hinkie" McCool and sharpshooting "Fobo" Spriggs at the forward posts, Grady Wann at center, and Ralph Watson and Vince Cialini at the guard positions. Spriggs was the squad's high scorer, and Cialini was named on the "All-Section" team. The reserves included "Brub" Battin, Larry Lady, and Herb Scott at forwards; Dick Flagg and Bob Kauffman, centers; and George Crosley and Jimmy Weeks as guards.

HOCKEY

A practice game with Marple-Newtown, resulting in a winning score of 2-1, prepared the "Warriorettes" for a tough season ahead.

The "Warrior Maids" started by chalking up the 14th straight victory. Ruthie Harrison, captain and veteran player, led West Chester to a decisive 7-0 victory over Pottstown.

Remember that Berwyn game? It was at the half that the score stood 2-1 in favor of Berwyn, but West Chester staged a fine comeback to win, when "Woodie," our little left-inner, pulled us out of our tight spot by making two goals in the second half. Score: 3-2.

After a stiff annual battle with Spring City on October 13th, the Garnet and White added another victory with a score of 3-1.

West Chester set a fast pace in the second half to trip Media by a 2-0 score. With no score in the first half, Dot Benner and Jane Clifford scored the goals in the second half which represented West Chester's ultimate edge.

On October 27 West Chester met Wilmington Friends in a thrilling match on the high school field. All of our scoring was done in the first half, while stiff competition was given us in the second half. The backfield playing was an important factor in holding back our foes to a 3-2 victory for the "Warrior Maids."

The team ended the longest winning streak of its history when we were beaten 3-1 by Westtown. This was the first defeat of the year and our first after 18 straight triumphs over a span of three seasons. Probably the most logical reason for our defeat was that we lacked some of the smoothness of teamwork which marked our earlier tests.

"Keep those sticks down!" "Look up before you shoot!" "Pass! Pass! Pass!" With this advice we played a season of six wins and two losses. We wish to thank Mrs. Taylor for her splendid coaching and our loyal supporters for backing us.

March 17 marked the close of a terrific undefeated season for 50's "Courtmaids." Under the careful guidance of Coach Taylor and the leadership of Captain Dixie Littles, the "Warriorettes" started out on their right foot by claiming victory after victory. Without the splendid teamwork and playing of every girl we know this couldn't have happened. Let's make our next year's season a duplicate!

Intramural basketball is a sport in which every girl has the opportunity to participate whether or not she is on the varsity. This year's tournament was packed with thrillers and close scores because of the stiff competition each team offered the other. Despite the losses, each girl benefited by the fair play and sportsmanship displayed in these games.

URES
WILL

Here' Tis

We, the illustrious class of nineteen hundred and fifty, being of sound mind, body, virtue, and usual stability, do hereby declare our last will and testament.

To the class of 1951 we bequeath the following:

The long and agonizing wait for senior rings;

Cramped fingers due to signing senior pictures;

Mr. Lady's streamlined monitor system in which one does not leave class early or arrive late;

The opportunity to run the school (?);

Any other hidden privileges;

The thrill of a life time: special mention in the notices;

The extreme privilege of being permitted to take exams early.

We also have some individual legacies:

"Dave" Lewis's guitar, "Singin' Sadie", to his brother, Paul;

"Ginny" English's strength as far as the accordian is concerned to anyone with the will to push and pull;

Tim Carpenter's mathematical mind to Roger Grigson;

Tippy DiSabatino's infectious, contagious, and continual giggle to Jean Fitch;

Berry Hey's speaking ability to anyone with a deeeeeeeep voice;

Dr. Guy Bingham's most inspiring and revealing oration on the subject of————————————Hibernation of the Siberian Penguin;

"Debby" Radicchi's realistic horses to Carol Blain;

Grady Wann's great commercial art technique to Melora Korninsky;

Memory Wolfe's commercial ability to Elaine Gale;

"Vince" Cialini's and Ralph Watson's unusual agility to "Ray" Kelly and "Dick" Flagg;

Ruth Harrison's hockey technique to Peggy Seaboldt;

"Bob" Kauffman's argumentative ability to "Dave" Hoopes;

Millard Freeman's aquatic "know-how" to anyone closely related to a fish;

"Ginny" Hoopes's arrival-at-school-just-as-the-bell-rings to Helen Pizzi; who we hope is capable of timing it to the last second;

Peg Muth's editorship of the **Garnet and White** to anyone who can spell and proof-read as she can;

John Harris's size to Jimmy Ferrier;

Maury Stroemel, the male Vickie Draves of W. C. H. S., his diving agility to Johnnie Clark;

"Jill," "Pat," and "Ginny," a 1936 Pontiac hearse, and three "men" from Indiana to any junior girl who is lucky enough to know "Them";

"Dave" Ashworth's "I grin and you bear it" attitude to Randall Robinson;

Fair Gilchrist and "Bob" Davis's "brass" to Dick Hurlbrink and "Bob" Lewis;

Jeanne Cooper's straight A's and musical versatility to Leatha Sykes;

Ray Thurston's ability to raise cain in study hall "on the sly" to Nils Edwards;

"Mort" Talley's slim figure to "Timmy" Dawson;

"Pat" McBride will not leave her "Rolls Rough," because she had to pay too much for it;

"Pat" Benner (the gum-chewin' gal) leaves her unnatural talent to "Sabbie".

And last we leave our sincere thanks and deep appreciation to the faculty who have done so much for us.

To this our last will and testament we, the Class of 1950, affix our hand and seal this 17th day of May!

Once Upon

A Time

Our

Sept. 7 'Twas the beginning of the end as the respected and admired (??) Seniors began their last year at W. C.

Sept. 17 Under the glaring lights at Wayne Field the mighty Warriors proved to all doubters that they really were mighty by defeating Lancaster.

Sept. 29 to Oct. 2 We drifted back one hundred and fifty years to celebrate the Sesqui.

Oct. 5 Council President Jim Weeks and his "Fighting Forty" launched their attack on the flaws of W. C. H. S.

Nov. 2 Hidden talent of the student body showed its face under the able leadership of Staley and Hey, Inc.

Nov. 18 and 19 Leading competition for "Broadway's best" proved their worth by arriving early for "The Late Christopher Bean."

Nov. 22 After "the stack" had been sabotaged twice, the work of the Council finally went up in smoke (on schedule!)

Nov. 24 Pumpkin Promenade proved perfect as pursuers of pleasure pranced following the tie with Berwyn.

Nov. 25 A day of rest! Ho-hum.

Dec. 9 Never let it be said that we won't give the other guy a chance . . . . . Lost our first basketball game to Haverford.

Dec. 19 Congratulations to Mr. Prutzman for his patience and fortitude while the Seniors who were jamming the lobby claimed their rings.

Dec. 21 The chorus presented its annual Christmas cantata.

Dec. 22 We left for our long-awaited vacation, deeply impressed by the Junior High actors and their presentation of "The Sacred Heart," by William Palmer Lear.

Datebook

Jan. 3—"All good things must come to an end" was our motto as we trekked back to school.

Feb. 7 More talent unexpectedly came to light, with Mr. Hey acting as production manager, director, and numerous other things.

Feb. 15 "Mose" Cornwell took top honors in the Boys' Speaking Contest and was followed by another showing of talent found in the halls of W. C.

Feb. 24 Our mighty basketball team beat Downingtown in one of the most exciting games ever witnessed to secure first place in Section Three of the Suburban Conference.

Mar. 9 The Warriors returned from the Palestra with a win over Bristol added to their terrific record.

Mar. 11 Dancin', drinkin' (coke), an' genrul merrymakin' held forth at the Skunk Hollow Ball.

Mar. 14 Game with Yeadon.

Mar. 20 to 22 Seniors stalked the halls with writer's cramp from essays.

Mar. 29 Girls' Speaking Contest.

April 1 to 9 History repeats itself! As the Easter bunny took over, we took under—the sheets for a ten day rest.

April 15 The Senior Prom was a night of many never-to-be-forgotten memories for the class of '50.

May 3 "Miss Taylor and her Proteges" galloped across the stage with another riotous presentation.

April 28 Seniors toddled through the halls licking lollipops, shaking rattles, and raising . . . . . cane.

May 20 The Council Dance went down in history as another wonderful event in the lives of the Seniors.

May 24 to 29 To pass or die in the attempt? That is the question. "Consumption" be done about it? (See June 8)

June 3 We dined and danced to our heart's content. Sadly enough it was the last school social event in our senior year.

June 8 "Sumption done!"

And Then

May 18, 1960. Tonite was held the Premiere of "Forever Garnet," starring Janet Staley and Marlene Cann with literally thousands thronging the box office. I saw so many celebrities that it was almost a homecoming for the class of 1950.

I noticed Dr. J. Duane Henderson, noted nuclear physicist, conversing with Drs. Douglass and Johnson, well-known leaders in the field of medical research.

Oh, yes, there were Messrs. Wann and Chappell, and Miss Diane Zimmer, who designed the costumes worn in the recent smash hit, "Our City," by the noted playwright, Barbara Morehead.

Misses Bette June Halpin and Joyce Thompson of the Halpin-Thompson School of Dance stepped out of their limousines as I drove up.

And whom else did I see but Miss Joan Wood, "Miss America of 1960," and Janice Larkin, prominent "Angel of Mercy."

"Jim" Weeks, "Larry" Lady, "Dick" Swanenburg and "Vince" Cialini, world famous sports "pros," put in personal appearances.

"Dave" Barrett, composer of "Symphony for Lovers, Opus 60," and Professors Hoopes and Brown, who teach music appreciation at our own W.C.S.T.C., sat just two rows in front of us.

I saw Dr. D. V. Matilda Evans, noted sociologist, talking to Ruth Harrison, author of the latest best seller—**How Not to Raise Ducks and Spaniels.**

The Misses Betty Verngren and Ruth Moore of Moore and Verngren's School for Girls were my weekend guests, so naturally I took them to the premiere; we sat in the tenth row.

Oh, incidentally, it was a marvelous performance.

How Bright We Were

Could it really have been our own class members who composed such gems as these which were found in the March, 1939, issue of the **High Street Scroll?** At the tender age of six we were already beginning to exhibit some of the exceptional talent which is now so apparent. Also pictured are our young geniuses with some of their classmates.

I like to get valentines
Because then I know someone loves me.

My valentine, my valentine,
How bright you are.
I like a nice valentine
'Cause it's so pretty and gay.

Snow, snow,
I like you.
You make a bed
For my sled.
—LARRY LADY

Dear

Dear Diary,

This evening a chapter of my life closes, for at eight o'clock my graduation exercises begin. Twenty-nine of us will be graduated tonight, the largest class in the history of the West Chester High School; and nine are young men!

My white dress and beautiful white gloves are ready. We are each going to carry a lovely bouquet and a white fan. The young men will do their best to look well in black suits. The Assembly Building is decorated with dwarf palms and floral designs. Blue and yellow, the class colors, are everywhere in evidence. We have rehearsed the program carefully, and I do hope everything will go well.

My graduation is a fitting climax to the nice time I have had this year. Two days ago, June nineteenth, we held our class day exercises. At these we heard our history, prophecy, poem, and ode.

Many members of the class have had parties to which the others have been invited. Parlor games, the waltz, and delicious refreshments were enjoyed. The junior class, as usual, had charge of the annual school picnic at Lenape.

Basketball, football, and baseball had their usual popularity in the school. While the young men engaged in these dangerous sports, we ladies had several stimulating and exciting games of croquet and tennis.

The more serious side of my school life this year included algebra, Latin, and Greek. I believe Greek class to be the most enjoyable to me. As there was no teacher of Greek in the high school, each morning we took a brisk walk to the Normal School. Sometimes we would stop at homes of the class members for fresh strawberries and other delicacies.

I did enjoy the bi-weekly meetings of the Girls' Literary Society. They were so up-lifting! The young men at this time attended Boys' Debating Club.

Many scholastic contests were enjoyed by the entire student body. The D. Webster Meredith Gold Medal in Oratory was awarded to Charles Hewson Canning for his stirring rendition of Patrick Henry's speech before the Virginia House of Burgesses. Cornelia Marion Smith won the Joseph S. Evans Book Prize in Declamation. The William Dowlin Book prizes in English Composition were awarded as usual. The senior winner was Marian Virginia Pierce, who had the honor of being the valedictorian of the class. Manual training prizes were awarded in the fields of mechanical drawing, wood carving, and wood work.

Ah, yes, this school year has been exciting, but at last it draws to a close. Our class has upheld the standards expected, and the class of 1900 will not soon be forgotten.

A MEMBER OF THE CLASS OF 1900

Diary

Dear Diary,

This has really been a wonderful year! Tonight at graduation it will be officially over; but for most of us it will mean only the end of classes, for we shall continue to see our friends and remember the good times we have had.

None of us will soon forget the wonderful dances and the terrific parties which we attended. The whole school really joined in and made all the social events go over with a "bang."

Our football team played some thrilling games, especially that "whipper-do" with Downingtown. The band with their new uniforms really dazzled us out on the field. But what could compare with that marvelous basketball team of ours! They really had the old fight in them, and they showed it by playing twice at the Palestra. The girls had a good hockey season, losing only to Westtown and to Eddystone, and their basketball record was also good.

Of course, this year wasn't all games and dances and parties. We struggled with essays and all kinds of exams and heard endless speeches on preparing ourselves for next year. Then there were those everlasting homework assignments which came without fail on the night that something else was going on.

Everyone was given a chance to participate in the talent shows and the speaking and spelling contests. In the Boys' Speaking Contest, especially good, a selection from **Tom Sawyer** and also Patrick Henry's speech before the House of Burgesses were given.

"The Late Christopher Bean" was a huge success. The cast was made up entirely of seniors, making it more than ever "our senior play."

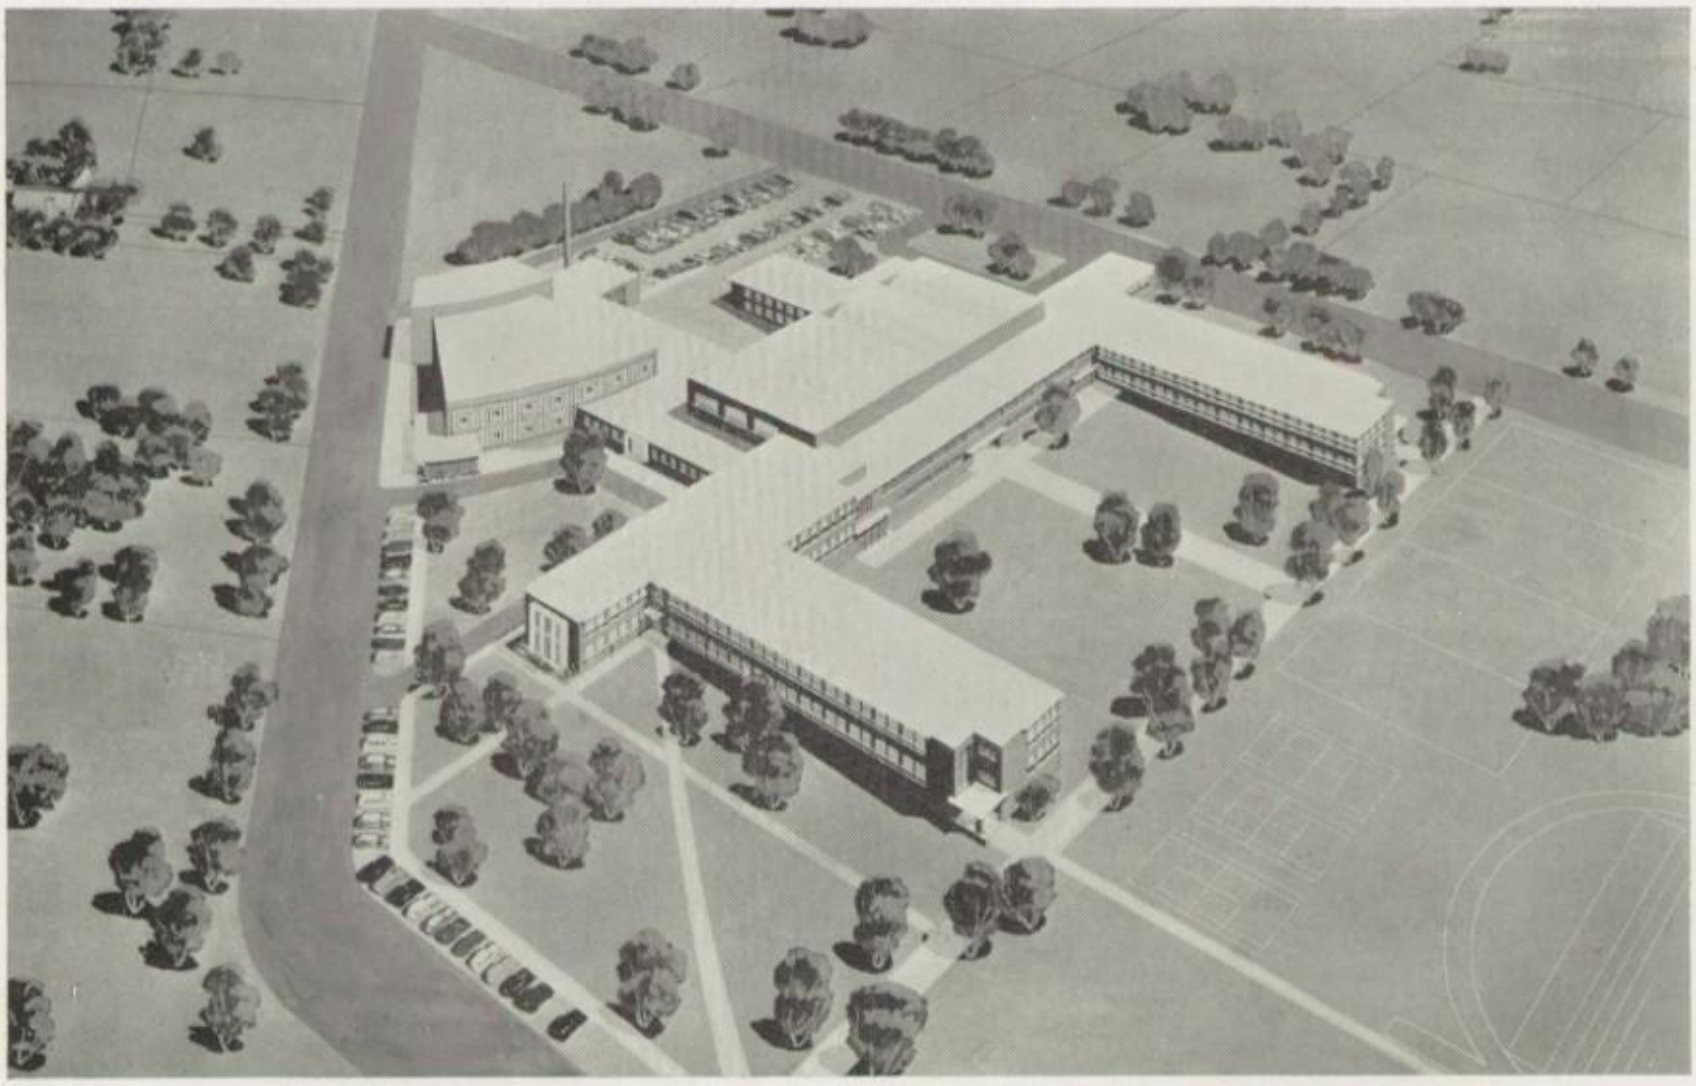
Then the Sesqui cannot be forgotten. Many of us took part in the pageant and the other activities, and we really got a taste of life in 1799.

We're all sad, dear Diary, to be leaving West Chester High, but it is certain that we will never forget the class of 1950 and the wonderful times we've had.

A MEMBER OF THE CLASS OF 1950

As we pass through the turn of the century, we are looking forward to the future and what it may bring. We, the staff of the 1950 **Garnet and White,** wish to say to all of our readers, "Goodbye, and the best to you in your future!"

Our New School



Appreciation

The staff of the **Garnet and White** and the class of 1950 wish to express their sincere appreciation to the merchants and friends who have contributed so generously toward making our yearbook a success. We hope that the readers of our book will notice the following pages and patronize the firms advertised in this section of our **Garnet and White.**

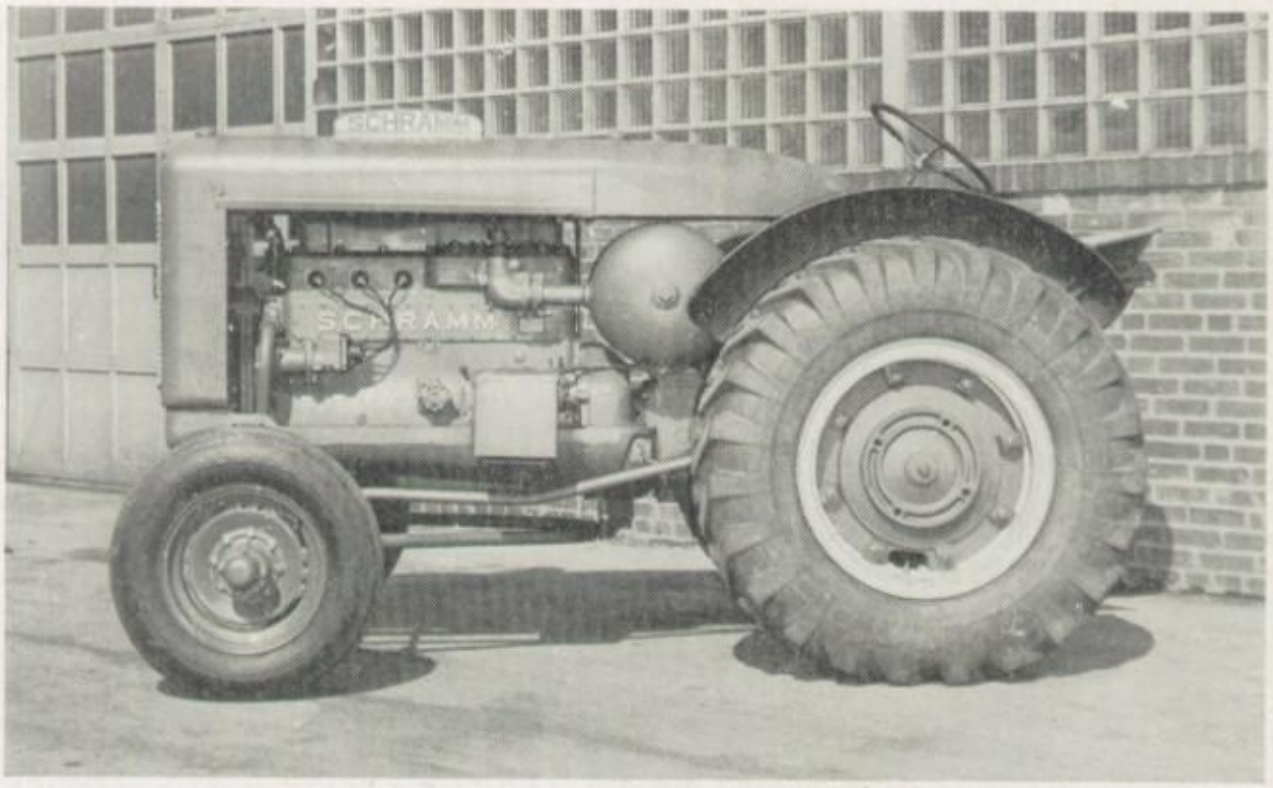
SCHRAMM *Pneumatractors*



Model 60 SCHRAMM *Pneumatractor*

SCHRAMM Model 60 and 105 *Pneumatractors* are the latest and most modern self-propelled compressors built. Units that embody the finest details of design, material and workmanship and reflect the many years experience and development of self-propelled compressors pioneered by SCHRAMM Inc. since 1919.

The SCHRAMM *Pneumatractor* is a tractor-compressor combination powered with the standard Model 60 *Unistage* or the 105 *Pneumapower* Compressor. These units are also designed with a completely engineered and approved set of accessories such as front end loaders, snow plows, backfill blades, front and rear winches, mowers, posthole diggers, rotary brushes, PNEUMAJACK, etc.

Versatile units that offer a wide variety of uses and applications
